

Website Product Disclosure Statement

Share Prices may provide you with Product Disclosure Statements (PDS) and Financial Services Guides (FSG) for the products and services offered by affiliated and third-party companies.

Share Prices provides access to fundamental and technical analysis of listed companies on the Australian Securities Exchange (ASX) through its Website and selected other international markets such as the New Zealand stock exchange and the US markets.

Any financial products provided or issued by a third party, is provided or issued by the third party in its own right, not on behalf of Share Prices.

Please refer to the appropriate disclosure documentation supplied to you by the third party including a FSG and PDS in these instances.

Any questions, comments and requests are welcomed and should be addressed to compliance@shareprices.com.au
